

About SNAP...

The City of Winters Police Department Special Needs Alert Program (SNAP) assists First Responders (Police and Fire) to be more responsive during emergencies to residents of the City of Winters with special needs. Maintained by the City of Winters Police Department, the registry can help first responders identify those who cannot identify themselves due to a disability or special need, such as Alzheimer's or dementia, autism, or a speech disorder.

Who should register?

Any resident of the City of Winters, child or adult, who have a special need(s). The registry has been created to help first responders identify those who cannot identify themselves due to a disability or special need, such as Alzheimer's or dementia, autism, or a speech disorder.

Why sign up with SNAP?

Families or agencies can voluntarily provide information about their family members/clients with special needs so that Law Enforcement and Fire personnel will:

- ◆ Have a photograph, description and contact information for people with special needs in our community who may need special assistance in an emergency.
- ◆ Be better equipped to help people with special needs who may become lost, injured, or who may wander away from home.
- ◆ Be aware of special medical, safety and behavioral concerns of individuals with special needs.
- ◆ Be aware of accommodations that may be needed in interacting with the person.

Is there a cost?

No. Completing the form and registering with the Special Needs Alert Program (SNAP) is free of charge.

How to Register:

Simply complete a Special Needs Alert Program form for yourself, a loved one or client. Make sure to sign and date the form. Drop the form off or mail the form to:
