## **GENERAL ORDER #17-08 USE OF RESTRAINTS IN UNSECURED AREAS**

**Date: May 26, 2017**

### **I. PURPOSE AND SCOPE**

This General Order supplements Winters Police Department Policy 305 "Handcuffing and Restraints" but does not supersede Winters Police Department Policy 323 "Temporary Custody of Juveniles" as it relates to juveniles that do not qualify for secured detention.

### **II. POLICY**

Due to the accessibility of real and potential weapons, as well as the increased opportunity to escape, handcuffs or other restraints shall be applied while escorting arrested persons in unsecured areas of the Winters Public Safety Facility.

Arrested persons shall not be left unattended and unrestrained in interview rooms or other unsecured areas of the Winters Public Safety Facility.
