IV. Organizational Structure/Direction

The Sacramento ICAC Task Force includes investigators, supervisors, or prosecutors from various local, state, and federal law enforcement agencies who provide assistance subject to availability.

All participants acknowledge that the Task Force is a joint operation in which all agencies act as partners. The chain of command and supervision of the Sacramento Sheriff's Department and Sacramento Valley High Technology Crimes Task Force (SVHTCTF) is responsible for the policy and general direction of the Task Force. The Task Force supervisor will periodically contact supervisors, investigators, and prosecutors from other participating agencies to keep them informed of training opportunities, unusual circumstances, problems and successes of the Task Force.

Activities of the ICAC Task Force are further governed by the Operational and Investigative standards of the United States Department of Justice, Office of Juvenile Justice and Delinquency Prevention. The document describing the Operational and Investigative Standards contains confidential information not for public release. Member agencies must understand and comply with the standards. The standards are proprietary to the ICAC Board. Release of the standards is protected because release will likely jeopardize ongoing investigations.

V. Supervision

The day-to-day operational supervision of sworn personnel and administrative control of the Task Force is the responsibility of the ICAC Task Force Sergeant, assigned to the SVHTCTF. Responsibility for the personal and professional conduct of Task Force members remains with the respective agencies, in keeping with each agencies' rules regarding conduct.

This MOU is not intended to infringe on the ongoing investigations of any other agency. It is agreed that unilateral acts on the part of employees involved in task force investigations are not in the best interest of the Task Force. All ICAC investigations must follow the guidelines laid out in the "*ICAC Program Operational and Investigative Standards*," a copy of which will be provided to each participating agency.

VII. Prosecution

The criteria for determining whether to prosecute a particular violation in county, state or federal court will focus on achieving the greatest overall benefit to the public.
