PEACE OFFICER STANDARDS AND TRAINING

July 22, 2022

John P. Miller IV, Chief
Winters Police Department
702 Main Street
Winters, CA 95694

Dear Chief Miller:

This correspondence reports the findings of the Peace Officer Standards and Training (POST) compliance inspection of your agency's adherence to minimum selection and training standards conducted on July 19, 2022.

AGENCY ROSTER

A roster of personnel in the POST Electronic Data Interchange (EDI) System was compared with your agency roster. All personnel have been appropriately documented in EDI.

SELECTION STANDARDS

I reviewed the files of three Peace Officers/Reserve Officers hired by your agency since the last audit on July 8, 2021. The background files were examined and determined to be in compliance with established selection standards. The files were professionally assembled and very well written!

TRAINING STANDARDS

The current training cycle ends on December 31, 2022. A Compliance Analysis Report can be found in EDI under the "Reports" tab.

In closing, I appreciate your willingness and desire to partner with POST for the overall betterment of the Winters Police Department. If I can answer any questions or assist in any other manner, please contact me by telephone at (916) 227-4843 or by e-mail at mpicone@post.ca.gov.
